Gill - passionate about Hadfield and our community

Gill Cross was brought up on Chapel Lane in Hadfield and attended Hadfield Infants, St Andrews and Glossopdale. She is married with two amazing lads who keep her on her toes.

She is a community worker at a local Church based in Hadfield and Chair of Hadfield Coming Together a local community group which her sister (Jacqueline) founded eight years ago.

Hadfield Coming Together is a purely voluntary organisation which does some great work in our local community eg Bellies Not Bins (our local food recycle project), community litter picks, free activities for local children during the school holidays, community cooking classes, nature walks and lots more.

Gill says: "I have supported other local projects including warm spaces in Hadfield, The Hangout Club, Padfield Impromptu and Hadfield Community Garden. I am passionate about our local community and its people."

Gill Cross - helping Hadfield folk all year round

As Chair of Hadfield Coming Together, Gill Cross helps to run Bellies Not Bins which is our local food recycle project based on Station Road.

In 2022 alone, the Hadfield Coming Together team have served 4,279 food parcels to people in our local community.

Gill says: "Our big project for this year is supplying free packed lunches for local children, offering one hour of

exercise, enrichment activities, promoting healthy eating and sign posting families to access other help and support in the community.

"If I am elected in May, I will campaign tirelessly to further improve youth provision locally."

"I will provide a strong voice for local residents so that no Hadfielder is left behind."

FIGHTING FOR EVERYONE IN OUR COMMUNITY

I'm passionate about Hadfield and I always strive to help everyone in our local community regardless of their circumstances.

The pandemic has highlighted the importance of community and collective endeavour. I will seek to protect our services and ensure that the Labour group will invest in our local community and provide a strong voice for local residents so that no Hadfielder is left behind.

MY PLEDGES TO YOU

Supporting families during school holidays

I am committed to supporting children receive access to enriching, physical activities and providing food provision during the school holidays.

Better mental health services for our community

I will support action to increase and improve Mental Health Services and facilities in Hadfield and Glossop.

Campaign for more social and council housing to meet local housing needs

There are more people on HPBC's housing register than properties available. I'll campaign to deliver more social & council housing for local people.

Keeping Hadfield tidy

I am committed to organising regular community litter picks in Hadfield and I will campaign to secure new litter bins. I will strive to make our village a cleaner, safer & more beautiful place to live.

Campaign for better, safer roads

Our local roads and pavements are in a dreadful state & need investment by Derbyshire County Council. I will put pressure on them to get their act together and fix our crumbling roads properly.

From community work and telesales, to retail and social care, I have had lots of different life and work experiences. My experiences have given me the ability to communicate with all age groups and from all walks of life, says Gill Cross.

I'm aware of and fully understand the issues currently facing Hadfield, including the lack of youth provision, the lack of mental health services, the current state of our local roads, the scourge of litter locally and lots more. I wish to put myself forward to address these longstanding issues and stand up for Hadfielders.
