Ollie Cross - taking action to keep Padfield clean

Keeping Padfield Ward tidy

I've always prided myself on being a doer, not a talker. Whatever the weather, I'm out tackling litter in Padfield Ward all year round, helping to make our local community a cleaner, safer and even more beautiful place to live with my twice-weekly litter picks. I've backed this action up by securing new litter bins and dog fouling signs for our ward.

Community action

I help to run Bellies Not Bins, our long standing local food reycle project based on Station Road. In 2022 alone, the Hadfield Coming Together team have served 4,279 food parcels to folk in our local community.

Improving youth provision

I have helped secure a substantial amount of funding to help improve provision for local children during the school holidays in 2023. We provide free packed lunches and work with other local organisations to offer a range of enriching, physical activities for local young people to enjoy.

Ollie Cross says: protect Roughfields

Roughfields is a widely loved local green space and a focal point for our local community. From working with the Save Roughfields Committee to secure new picnic benches to organising regular community litter picks, I've been at the heart of championing Roughfields.

"I'm committed to ensuring access to quality parks and green spaces for all in our local community..

"That's why I'm currently campaigning for Roughfields to be a nominated as a Designated Local Green Space in the current Local Plan Review. If successful, this will give Roughfields an additional layer of protection.

"I will always put the best interests of my local residents first. I'll continue to support and work alongside local residents to the very best of my ability to protect Roughfields."

"I care deeply about making our local community a cleaner, safer and even more beautiful place to live," - Ollie Cross.

OLLIE CROSS - DELIVERING FOR YOU ALL YEAR ROUND

I have been working hard since I was elected to ensure that the residents of Padfield and Hadfield have a strong local voice. From securing investment in Bankswood Park and replacing several dilapidated streets signs, to funding the installation of a defibrillator at The Chapel and securing a new grit bin despite DCC's policy of installing no new grit bins across the county. I have a strong record of getting stuff done for our local community.

MY PLEDGES TO YOU

Protect local green spaces such as Roughfields

I will work tirelessly to ensure that they are accessible to all in our local community for years to come.

Further improve local park and play equipment

After helping to secure significant HPBC investment in Bankswood Park, I'm campaigning to secure funding to update The Rec on Temple Street.

Campaign for better, safer roads

Our local roads and pavements are in a dreadful state and need investment by Derbyshire County Council. I will put pressure on it to get its act together and fix our crumbling roads properly.

Protect Hadfield Library

I will continue to campaign against any future cuts by Derbyshire County Council.

Refurbish Hadfield's public toilet

I will campaign to secure funding to improve Hadfield's public toilet.

I support local residents by attending Padfield Residents' Society and Park Road Residents' Society meetings, as well as holding my own monthly advice surgeries at Padfield Congregational Chapel. I'm proud to be a School Governor at Padfield Community Primary School.

I'm also the Secretary of the community group that runs Bellies Not Bins, where I help to package up and serve food parcels to Padfielders and Hadfielders every Thursday. I attend weekly social clubs such as Tuesday Club and Hadfield Coffee Morning too.

OLLIE CROSS - BACKING PADFIELD & HADFIELD

It has been my honour to represent Padfield Ward over the past four years, speaking up and working round the clock for our local community.

I'm not interested in grandstanding or petty political point scoring, I'll always put the interests of our local community first.

I love living in Hadfield with my wife, Gill, and two step-sons, Tyler and James. We're heavily involved in community life and are excited by Hadfield & Padfield's future potential.
