## Pauline Bell - campaigning to make our roads safer

Speeding traffic has been a problem for as long as I have lived in Chisworth.

As a Mum, crossing Marple Road with young children and a dog was always treacherous and remains so. I know from talking to parents of young children, that this is still their main concern today.

Chisworth Parish Council commissioned a highways survey which proved that the volume and speed of traffic has increased significantly and has now secured a grant from the PCC, for a 12 month trial of Interactive Speed Indicator Devices.

Both Parish Councils support the “20 is Plenty” campaign. Speed reductions near schools and in the centre of Charlesworth reduces the chance of accidents and makes the roads safer to cross.

When I’m elected, I’ll work with both parish councils to ensure that our roads become safer.

## Bus services are not fit for purpose

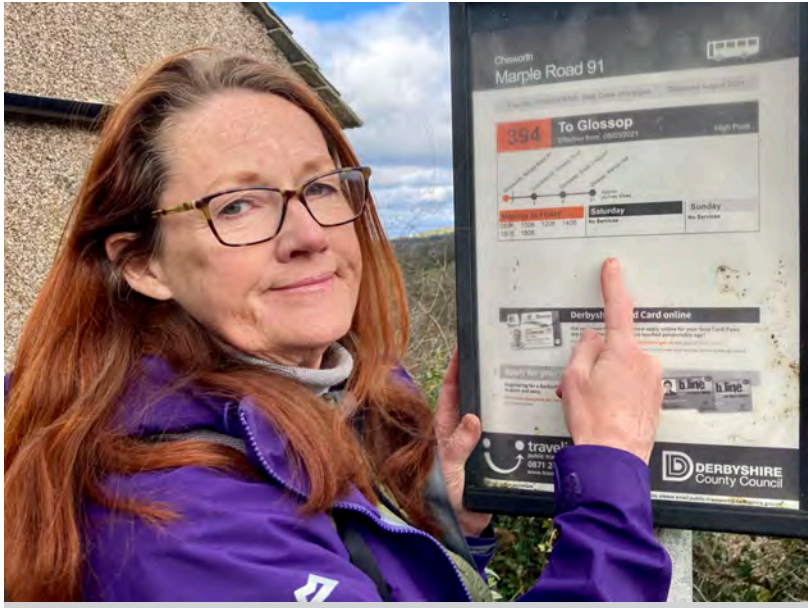

**Local bus services are woefully inadequate. They are expensive, infrequent and offer limited routes, says Pauline Bell.**

The adult single fare from Chisworth to Glossop is £3.80, a return £6.80. Charlesworth has no evening or Sunday services and Chisworth only has six buses on week days and no evening or weekend service. Parents drive their children to Glossopdale School because

there is no suitable service.

The benefits of affordable and convenient buses are two-fold. Those who don’t drive can be independent and have easier access to education, jobs and leisure. There will be less pollution and congestion on the roads.

Better bus services are a win for both passengers and the environment.

## Pauline Bell - Listening to you, acting for you.

## SUPPORTING LOCAL BUSINESSES

What I love about living here is our sense of belonging. The opportunity to meet together in local shops, pubs, churches, schools and on our recreation grounds is the glue that holds our community together. This should be treasured and encouraged. Our local businesses work tirelessly to provide the services and comforts that we residents enjoy on our doorstep and, in turn, we can return the favour by giving them our custom.

## MY PLEDGES TO YOU

**I will campaign for safer roads and “20 is plenty”**

**I will campaign for affordable, reliable and more frequent buses.**

**I will protect and celebrate our green community spaces.**

**I will work closely with both Charlesworth and Chisworth Parish Councils to ensure that their voices are heard on High Peak Borough Council.**

**I will be a voice for the whole ward from Brick Houses to Higher Gamesley to Derbyshire Level.**

Charlesworth and Chisworth have some wonderful green community spaces - apart from the hills! We must keep these spaces available for our community. We need places to hold Carnivals, Summer Parties, Bonfire Parties, to play, have picnics or just sit. I have served on the Charlesworth Carnival Committee and I’m currently involved with the Chisworth Summer Parties and Bonfire Parties. These are fantastic events that bring communities together and have a special place in Village life.
